Re: Professional Reference for Michael Doyle Civil Engineering Limited

To Whom It May Concern,

I can confirm that Michael Doyle Civil Engineering Limited have been employed on several wind farm projects in Ireland where Wind Prospect Ireland has been acting as the Engineer, Employers Representative or Civil Works Designer under the construction contracts.

We have found Michael Doyle Civil Engineering Limited to be a competent and reliable civil works contractor when constructing site roads, wind turbine crane hardstandings, electrical substation civil works, underground cable duct civil works, drainage works and turbine component delivery route upgrades.

Michael Doyle Civil Engineering Limited are on our selected tenderer list and we expect to work with them again in the future.

Please feel free to contact me should you require any further information.

Yours faithfully,

A handwritten signature in blue ink that reads 'Gavin Jones'.
